

## Blink 2024 Access Program: Know the Signs

These signs will be posted on the street and guide you to the Accessible Drop-Off Locations.

You will see these signs in garages and on some areas with meters, CPD is allowing vehicles with Accessible Parking placards or plates to park here without issue.

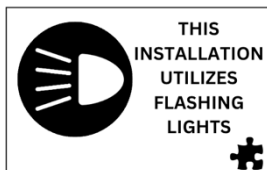

These signs alert you to the meeting point for the Access Team Escorts

Look for these signs, with arrows, to note the accessible routes in each zone.

You will see these signs as you approach some if the installations sharing sensory experience information with you for viewing choices.
